Introduction

The Lt. Governor's Secretariat as the premier office housing the Office of His Excellency the Lt. Governor has been created to assist His Excellency in the discharge of his functions in accordance with the Union Territories Act and Rules of Business

With the scope of function restricted to primarily assist His Excellency in the discharge of his constitutional obligations, the Lt. Governors Secretariat in its day to day functioning does not reach out to the Public except for redressal of Public grievances.

With no citizen centric schemes being formulated or implemented from the Lt. Governor's Secretariat, the need for information from the Lt. Governors Secretariat has its own limitations. The Information Hand book is, however, brought out in accordance with Section 4(1)(b) of the Right to Information Act, 2005.

The Information Hand Book contains all vital facets of the functioning of the Lt. Governor's Secretariat that are to be brought to the knowledge of the public domain. This little booklet, in the hands of the user, will without doubt be a tool of information to the intended user, as envisaged in the Right to Information Act, 2005.

Particulars of Organisation

The organisational set up of Lt. Governor's Secretariat is broadly divided into two main divisions

- Secretariat Wing
- Household Wing

The Lt. Governor's Secretariat is headed by the Secretary to the Lt. Governor, who is the Administrative Secretary of the Secretariat as well as the Head of the Department vested with statutory administrative & financial powers as laid down in the respective Rules. As a special dispensation he is also vested with the powers of Lt. Governor in matters relating to creation of posts, meeting contingent expenditure etc.

Assisting him in the Secretariat functions is the Private Secretary to Lt. Governor. The Private Secretary to Lt. Governor is vested with the powers of Head of Office and is directly in-charge of the superintendence of the functioning of the Secretariat as well as the Household notwithstanding his duties of preparing speech materials and messages for H.E. the Lt. Governor.

The Protocol and security of His Excellency the Lt. Governor and Raj Nivas are vested with the ADC to Lt. Governor. An Additional ADC assists him.

The Household wing attends to the hospitality of His Excellency and the Guests and VVIPs who visit Raj Nivas. The Comptroller of House Hold is responsible for this wing as well as for the aesthetic maintenance of Raj Nivas.

The Public Grievance petitions submitted to His Excellency the Lt. Governor form a vital component of function that has interaction with the Public. To effectively monitor this, a software package has been specifically developed. The petitions submitted by the Public are forwarded to the Departments concerned and the progress is monitored using the "Petition Monitoring Software package". The information stored in the database is retrieved and the Petitioners are informed about the progress of their representation, on request

Apart from the function pertaining to Petition Monitoring System that has a direct interaction with the Public, the Lt. Governor's Secretariat operates two types of funds for the welfare of the Public

- ***Lt. Governors Discretionary Fund***

In accordance with the Rules framed by the Ministry of Home Affairs, a sum of Rs.10,000/- has been placed as a Discretionary grant at the disposal of the Lt. Governor of Pondicherry every year. Based on the request received, a grant of an amount of Rs.250/= in the case of individual and an amount of Rs.500/= in the case of institutions is made after verification of the authenticity of the claim.

- ***Lt. Governors Welfare Fund***

The Lt. Governor's Welfare Fund comes under the purview of Charitable Endowments Act, 1890. The main object of the fund is to grant relief to individuals and cultural and charitable institution in cases of privation due to natural calamities or any other cause, to workers thrown out of employment for reasons beyond their control, to administer and apply funds for other welfare measure and to do all other things which are incidental to the above objects.
