CHAPTER 1

Introduction:

The Right to Information Act, 2005 was formulated and approved by the Govt. of India 21st June, 2005. The Act provides for setting out the practical regime of Right to Information for the Citizen to secure access to information under the control of public authorities in order to promote transparency and accountability in the working of every public authority.

The Adi Dravidar Welfare Department has brought out this handbook for making awareness among the poor and downtrodden S.C. community to avail the benefits which being provided exclusively for this by this Dept. The procedures followed for each scheme/activity powers of the officers and the decision making process for that activity has been detailed in the Handbook. Further, budget allocation for each scheme for the current year is given in this book. In order to keep the transparency, the total number of beneficiaries benefited under each subsidy/assistance schemes is also listed in this book for reference.

The Deputy Director (General), Adi Dravidar Welfare Dept., Pondicherry (Publication Information Officer) may be contacted in the below given address for further current information.

CHAPTER 13

The manner of execution of subsidy programmes including the amounts allocated and the details of beneficiaries of such programme

The scheme named as "House construction subsidy scheme" is newly implemented by this Department in order to facilitate the poor SC people to have a shelter of their own. Under the scheme at present Rs.50,000/- is provided for construction of the house either by RCC or with laser roof materials. The subsidy is being given in three instalments as 20,000/- in the initial state, Rs.15,000/- as when the construction goes up to 7 feet height and in the third instalment Rs.15,000/- when the house construction is completed.

GRANT OF HOUSE CONSTRUCTION SUBSIDY

MODES OF OPERATION:

There is prescribed application for applying HCS. The beneficiary have to fill up the application and submit to the office along with the original patta which he belongs.(The patta means vacant site/ plot and not a constructed structure or otherwise.)

They agree in application which was received and recorded in the office will be registered to the concerned area. Welfare Inspector for furnishing basic report again conducting spot visit.

Then if the application considered to be a genuine one, it will be processed in the concerned section and the amount will be accorded by a sanction (block) under the powers of the Director, subject to the availability of funds. Then the beneficiaries will be informed to get the amount in three instalments as I, II,III instalment. At present the amount is being given as 20000, 10000, 10000. The number of beneficiaries to be covered every year will be completed according to the physical target earmarked in the action plan.

CONSTRUCTION OF LOW COST DWELING UNITS

1. Objective of the scheme : A subsidy to poor scheduled caste / Other Economically Backward Class people to construct house.
2. Service available : The subsidy amount of Rs.40,000 is granted in 3 instalments as follows:
