Procurement of Fish Mobile Van for transport of fish & fishers
Request for Expression of Interest

INDIA

UNDER COASTAL DISASTER RISK REDUCTION PROGRAMME (CDRRP)
FOR FISHERIES MANAGEMENT FOR SUSTAINABLE LIVELIHOODS (FIMSUL II)
World Bank credit No. 5279 INR

1. Government of India has received a credit from the International Development Association (IDA) in various currencies equivalent to US\$ 236 Million towards the cost of the FIMSUL II UNDER COASTAL DISASTER RISK REDUCTION PROGRAMME and intends to apply part of the proceeds of this credit to eligible payments under the contract for procurement of two numbers of Non-AC Fish Vans from eligible transport vehicle manufacturers or their authorized dealers for supply of transport vehicles for fish-vendors and fish.
2. **Project Objectives:** To provide efficient and fast means of transport of the fish and the marine Fishermen/Fisherwomen from the landing centres to the different market/vending areas in and around Puducherry/Karaikal, thereby minimizing fish spoilage and fetching better price for the fish.
3. The Supplier is responsible for undertaking the following activities:- A transport vehicle with designs to meet the project objectives, suitability with required specifications, design meets the Automotive Industry standards, spell out the technical specification of the vehicle, ensure it satisfies the relevant provisions of the Motor vehicles Act, 1988 and also fulfills the Legislation / regulations of Government of Puducherry, Government of India made thereunder, road safety norms, food safety norms, necessary for getting the registration and license for the successful operation of the vehicle. Closely co-operate with all relevant stake holders and project beneficiaries in designing the vehicle in the best way to accomplish maximum benefit to the Government of Puducherry & the fisher folk.
4. The Director, Department of Fisheries & Fishermen Welfare, Fishing Harbour Complex, Thengaithittu, Puducherry - 605 004 now invites eligible manufacturers of transport vehicles or their authorized dealers to submit their applications indicating their interest to supply such transport vehicles for transporting fish and fishers. Interested parties must provide information indicating that they are qualified to supply the vehicle with detailed brochures, description of similar assignments, experience in similar supplies, time required for supplying the vehicle on issue of order, availability of staff with appropriate technical skills for regular maintenance etc.
5. **Experience:-** Minimum 5 years of experience in supply of fish transport vehicle with capacity to supply the vehicle within one month of order.
6. The supplier will be selected in accordance with the procedures set out in the World Bank's Guidelines and Government Rules. Based on the fulfillment of the eligibility conditions and

subject to the complete satisfaction of the Department of Fisheries & Fishermen Welfare, Puducherry and the World Bank.

7. The Director of Fisheries reserves the right not to proceed with the EoI Process at any time, without notice or liability, and to reject any Application without assigning any reasons.

8. Interested Manufacturers and eligible Dealers may obtain further information at the address given below.

9. Expression of interest must be delivered in sealed covers to The Director, Department of Fisheries & Fishermen Welfare (FIMSUL – II), Fishing Harbour complex, Thengaithittu, Puducherry-605 004 by not later than 3.00 p.m., 30.07.2019.
