THE PUDUCHERRY CODE
VOLUME-II

Published by the Law Department, Government of Puducherry
FOREWORD

For effective functioning of the general administration as well as the Judiciary, an accurate compilation of laws as amended from time to time by the Legislature is absolutely essential.

Twenty-nine years have elapsed since the first edition of the Pondicherry Code Volume II was published. During this gap many changes have taken place in the field of legislation in the Union territory of Puducherry. The present work of compilation of the local laws with all amendments from 1967 to 1972 is a timely endeavour by the Law Department.

I take this opportunity to appreciate the efforts put in by the Law Department. I hope that this Puducherry Code Volume-II would be an indispensable reference book for the Executives as well as the Bench, the Bar and the general public.

CHIEF SECRETARY TO GOVERNMENT

(M. SATHYAVATHY)
FOREWORD

From the end of the second world war the social fabric all over the world is changing at an accelerated pace. Changes are very significant in India which has shed the colonial rule to steer by itself its destiny. Law whose role is to accompany the society has necessarily to undergo corresponding modifications. This is what happened in the Union Territory of Puducherry as well. Under these circumstances this updated version of the volume II of the Puducherry Codes published in 1983 is most welcome.

This volume appears almost one year after the publication of the revised edition of volume I. For this achievement the Law Secretary, J.C.P. Mariadassou who has taken the meritorious initiative of bringing updated versions of the Puducherry codes has to be thanked. His aide, K. Oumabady, the tireless librarian of the Law Department is to be complimented for the meticulous work accomplished. These two publications in quick succession give the hope of the publication of volumes III and IV in the near future.

Any one interested on a point of law would like to know the latest position. It is not feasible to publish every year an updated version of codes. However the new technological devices make it possible to everyone to know the position of law as on the date of his search. For that purpose it will be enough to put in the internet the law of Puducherry and all modifications as and when they occur. This may be contemplated by the Government of Puducherry.

It is to be recognised that codes will not be of any use for the common man who cannot understand the English legal language. To afford him the possibility of knowing the law in the area of his interest, there is a need of a guide book of law in Tamil language, presenting the main provisions of important areas of law in alphabetical manner. This will promote legal education of the people, which is a main factor of the prevalence of the rule of law. The Legal Services Authority, Puducherry may join hands with the Law department to carry forward this task with the blessing of the Government.

Puducherry, 03.02.2012

JUSTICE DR. DAVID ANNOUSSAMY
FORMER JUDGE OF THE MADRAS HIGH COURT
PREFACE

In the legal profession one of the arduous task of a Legal Advisor, Judge or Advocate is at the initial stage to wade through a plethora of legal materials and finally to cull out the appropriate law on the subject in respect of a case and to see whether the materials so collected are up-to-date. It is also hard to come across the law or legal materials at a single place. This task is oft and on time-consuming, leading to avoidable delay. Such laborious process in a legal profession is made simple by means of codification of the laws. It is only with this in mind, in order to quicken the decision-making process and to benefit the legal professional that codification has been contemplated and effectively attempted in the Law Department.

The Law Department has prepared the revised edition of the Puducherry Code Volume-II. This Code contains Acts codified with all amendments between the years 1966 and 1972. The Statement of Objects and Reasons for all the Principal Acts as well as Amendment Acts have been included in this Code. This is the special feature of this book, which will be highly beneficial to the end-users.

I take this opportunity to place on record my appreciation of the strenuous efforts put in by Mr. K. Oumabady, Assistant Library and Information Officer in the Law Department for shouldering this task in right earnest. My thanks are also due to Mr. N. Rajendiran, Retired Under Secretary (Law), Law Department, for having overseen this work. I hope and trust that this codification work would be appreciated by one and all.

THE PUDUCHERRY NOTAIRES DECREE (AMENDMENT) ACT, 1967
(Act No. 4 of 1967)

9th October, 1967

AN ACT
to amend the French Decree dated the 24th August, 1887 relating
to the organisation of Notaires in the Union territory of Puducherry.

BE it enacted by the Legislative Assembly of Puducherry in the Eighteenth
Year of the Republic of India as follows:-

Short title and commencement

1. (1) This Act may be called the Puducherry Notaires Decree (Amendment) Act, 1967.
   (2) It shall come into force at once.

Amendment of Article 47

2. In Article 47 of the French Decree dated the 24th August, 1887, for the sixth
   and seventh paragraphs, the following paragraph shall be substituted and shall be
   deemed to have been substituted with effect from the 1st August, 1964, namely: -

   “Notwithstanding anything contained in the foregoing paragraph, the
   Government may, if it thinks fit so to do in public interest, by order, retain any
   Notaire in service after he has completed the age of sixty-five years, for such period
   or periods as it thinks fit, so however that the period or the aggregate of the periods
   of such retention in service shall not, in any case, exceed five years.”
Validation

3. Notwithstanding anything contained in any judgment, decree or order of any court, no act, thing or proceeding done or taken under the French Decree dated the 24th August, 1887, during the period between the 1st August, 1964, and the commencement of this Act (both days inclusive), by any Notaire or First Clerk of any Notaire shall be deemed to be illegal or invalid or ever to have become illegal or invalid merely on the ground ---

(a) that the Notaire has discharged the functions assigned to him under the Decree aforesaid after completing the age of sixty-five years, or

(b) that the First Clerk has discharged the functions of a Notaire under the aforesaid Decree during the temporary absence of the Notaire,

and all such acts, things or proceedings shall, for all purposes, be deemed to have been validly done or taken in accordance with law.

STATEMENT OF OBJECTS AND REASONS FOR ACT 4 OF 1967

The institution of Notaires is governed by the Decree dated 24.8.1887. Article 47 of the said Decree lay down that Notaires shall be compelled to relinquish the office at the age of 65 years and replaced. However, there is a transitory provision under paragraph 7 of the said Article which could be applied for a period of five years from 2.5.1938. Since this transitory period has already expired, it may not be possible to exercise the powers envisaged under this proviso. Since some of the Notaires have already attained the age 65 years, it may be necessary to suitably amend paragraphs 6 and 7 of the said Article enabling the Government to continue the Notaires in service. It is, therefore, proposed to empower the Government to retain any Notaire in service after he has completed the age of 65 years and the period or the aggregate of the periods of such retention shall not, in any case, exceed five years.

The Madras High Court has in a recent judgment held that the First Clerk of a Notaire can only carry out the incidental clerical duties and he cannot act and discharge the functions of a Notaire during his absence, and as such a clause validating these acts is necessary. Similarly, it is necessary to insert a clause validating the acts done by the Notaires who have attained the age of 65 years. Accordingly a validation clause has been incorporated.

The present Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 5 OF 1967

The Madras Motor Vehicles taxation Act, 1931 (Madras Act No. 3 of 1931) has been made applicable to this Union Territory with suitable modifications under the Puducherry Motor vehicles taxation Act, 1966 (Act No.4 of 1966) with effect from 1-7-1966. In view of the fact that doubts have been expressed with regard to the vires of certain provisions of the said Act, it had been decided to exact afresh a consolidated Act with retrospective effect from 1-7-1966. The present Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 24 OF 1970

The Puducherry Motor Vehicles Taxation Act, 1967 is based on the corresponding Act of Tamil Nadu and for collecting tax under the Act, the same rates as were obtaining in Tamil Nadu at that time have been adopted. Subsequently the Government of Tamil Nadu have revised the rates of tax in respect of certain classes of vehicles. Normally, out rates of tax must be slightly less than those which are prevalent in the neighbouring State in the interest of the residents of this Union territory. It is, therefore, proposed to enhance the present rates keeping them below the revised rates actually in vogue in Tamil Nadu.

2. A Notification was, therefore, issued by the Government on 26-3-1970 amending Schedules I and II to the Act to achieve the objects in view. This Bill is intended to give effect to the amendments specified in the above- said notification. Vide sub-section (2) of section 20 of the Act.

STATEMENT OF OBJECTS AND REASONS FOR ACT 9 OF 1973

Under Schedules I and II of the Puducherry Motor Vehicles Taxation Act, 1967, the maximum permitted laden weight for which tax prescribed was up to 10,500 kgs. for goods vehicles. This was due to the fact that sub-rule (1) of rule 6 (1) of the Delhi Motor Vehicles Rules 1940 as applicable to this Union territory of Puducherry restricted the maximum laden weight of a goods vehicles to 12 tons. Due to the advance in the manufacturing techniques of motor vehicles to withstand higher load capacity and due to improvement of roads, this restriction was removed by an amendment to the said rule in 1971 in line with other States. This necessitated fixation of tax slab rates for the goods vehicles whose permitted laden weights exceeded 10,500 kgs.

A notification was therefore issued by the Government altering the Schedules I and II to the Act to achieve the objects in view. This bill is intended to give effect to the amendments specified in the abovesaid notification.
STATEMENT OF OBJECTS AND REASONS FOR ACT 1 of 1974

Under schedules I and II of the Puducherry Motor vehicles Taxation Act, 1967, the maximum permitted laden weight for which tax prescribed was upto 10,500 kgs. For goods vehicles. This was due to the fact that sub-rule (i) of rule 6.1 of the Delhi Motor Vehicles rules 1940 as applicable to this Union territory of Puducherry restricted the maximum laden weight of a good vehicles to 12 tons. Due to the advance in the manufacturing techniques of motor vehicles to withstand higher load capacity and due to improvement of roads, this restriction was removed by an amendment to the said rule in 1971 in line with other States, this necessitated fixation of tax sub rates for the goods vehicles whose permitted laden weights exceeded 10,500 kgs.

A notification was therefore issued by the government altering the schedules I and II to the Act to achieve the objects in view. This bill is intended to give effect to the amendments specified in the above said notification.

STATEMENT OF OBJECTS AND REASONS FOR ACT 7 OF 1977

The proposed amendment to the Puducherry Motor Vehicles Taxation Act, 1967 is aimed to amend the Act on three scores. In the first instance, a definition of “Urban area” is proposed, to be inserted in Section 2, so that the demand of the tax based on the specific slab for vehicles plying within the urban area is duly protected by law. In the second instance, a proviso in section 3 (1) is proposed, to enable adjustment of tax paid among the different category of public carrier permits viz. Regional, Zonal and National permits. Thirdly, a revision of the existing tax rates contained in Schedule I of the Act is proposed in order to suitably revise the taxes on certain categories of motor vehicles.

The amendment seeks to achieve the above objects.
STATEMENT OF OBJECTS AND REASONS FOR ACT 9 OF 1980

In Schedule I, attached to the Puducherry Motor Vehicles Taxation Act, 1967, (Act 5 of 1967) under sub-item (iii) of item 4, the rate of tax for contract carriages used for tourist purposes is provided.

The present rate of Rs.100 per seat is meant for mere contract carriages which are permitted to ply within the Union territory of Puducherry and to ply outside the State under section 63 (6) of the Motor Vehicles Act. But an omni bus which is permitted under All India Tourists Motor Vehicles (Puducherry) Rules, 1977 has a vast scope of operation throughout India and thus has better earning capacity than the ordinary contract carriages. It is, therefore, proposed now to fix the rate of tax applicable to such omni buses covered by permits for all India operation as Rs.150 per seat while maintaining the present rate of tax for the ordinary contract carriages. This revision involves additional revenue to the State.

No increase in the rate of tax is proposed for tourist taxis covered by All India Tourist Permits, since those tax are normally working on petrol.

The amendment seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1985

In schedule I, attached to the Puducherry Motor Vehicles Taxation Act, 1967 (Act 5 of 1967), under sub-item (iii) of item 4, the rate of tax for contract carriages used for tourist purposes has been provided.

The present rate of Rs.100/- per seat is meant for mere contract carriages having seating capacity if more than five persons but not more than twelve persons other than the driver and which are permitted to ply within the Union territory of Puducherry and to ply outside the state under section 13 (6) of the Motor Vehicles Act, 1939. The present rate of Rs.150/- is meant for contract carriages having seating capacity of more than twelve persons (other than the driver) and which are permitted to ply within the Union territory of Puducherry and to ply outside states under section 63 (6) of the Motor Vehicles Act. As the tourist taxi/motor cab which is permitted under the All India Tourist Motor Vehicles (Puducherry) Rules, 1977 having seating capacity of more than five persons (other than the driver) is having vast scope of operation throughout India and thus has better earning capacity than the ordinary contract carriage which are permitted to ply within the Union territory of Puducherry only and hence the present rate of Rs.150/-, per seat is fixed. An omni bus which is permitted under the All India Tourist Motor Vehicles (Puducherry) Rules, 1977 is also having vast scope of operation and having better earning capacity. It is, therefore, proposed to fix the rate of tax as Rs.180/- per seat while maintaining the present rate of tax of Rs.150/- per seat for ordinary contract carriages which are permitted to ply in the Union territory of Puducherry only.

The Bill seeks to activate the above objects.
STATEMENT OF OBJECTS AND REASONS FOR ACT 13 OF 1988

The Puducherry Motor Vehicles Taxation Act, 1967 (No.5 of 1967) provides in sections 3 and 4, payment of tax on motor vehicles using public roads in Puducherry quarterly, half-yearly or annually. The Conference of Transport Ministers have recommended that the registered owners of non-transport vehicles may be required to pay tax in respect of their vehicles in one go. Collecting one-time tax is considered to be beneficial and convenient both to Government and the Public. For the purposes of collecting one-time tax, the life of the vehicle is taken as 15 years and a rebate of 10% is allowed on account of the advance payment of tax. When a vehicle is transferred to another State, provisions should be made for refund of tax. For these purposes, it is proposed to amend sections 3 and 4 of the Act and also add a new section 4A providing for refund of tax. It is also necessary to amend the Schedule I and insert the new Schedule IA prescribing the Schedule of one-time tax and Schedule IB prescribing the rate of refund of tax.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 4 OF 1989

The Puducherry Motor Vehicles Taxation Act, 1967 was amended by Act No.13 of 1988 providing for payment of tax in advance in lumpsum by the registered owner of the non-transport motor vehicles. The payment of this one-time tax is made compulsory and this has caused inconvenience and hardship to many. It is therefore proposed to make the payment of one-time tax optional and such one-time tax shall be collected only where the registered owner makes an application in writing in that behalf. It is necessary to amend the second proviso to sub-section (2) of section 3 of the Act to achieve the above purpose and also to make other consequential and incidental amendments in the Puducherry Motor Vehicles Taxation Act. It is also necessary to take powers to prescribe the period within which tax is to be paid.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 9 OF 1990

For the purpose of augmenting and generating funds to the exchequer, rates of tax on transport vehicles are proposed to be enhanced. Also in the levy of tax on stage carriages, the quantum of tax to be collected on stage carriages which are not covered in inter-State agreement has not been prescribed in Schedule-I. This has to be rectified. In the case of All India Tourist Omni bus, even through the Central Motor Vehicles Rules, 1989 provides for seating arrangement to an attendant, the taxation Schedule does not provide for exemption for the attendant from the levy of tax. This has to be specifically provided for in the Act. These necessitated amendment to Schedule I and Schedule II of the Puducherry Motor Vehicles Taxation Act, 1967 (hereinafter referred to as the principal Act).
In the above circumstances, a notification was issued in Welfare Secretariat (Transport) G.O.Ms. No.42/ 90-Wel. (Tr.), dated 24th September, 1990 making amendment to schedules I and II of the principal Act. Thereafter, a notification under sections 3 and 4 of the said Act was issued prescribing the revised rates of tax to be effective from the quarter commencing on the 1st July, 1990 in Welfare Secretariat (Transport) G.O.Ms.43/ 90-Wel.(Tr.), dated 24th September, 1990. The amendment to the notification and the levy of the revised rates of tax from 1st July, 1990 has to be regularised and validated by introducing a Bill in the Legislative Assembly as required under sub-section (2) of section 20 of the principal Act. It is also pointed out that before the issue of the said notification in G.O.M.s. No.43/ 90-Wel.(Tr.), dated 24th September, 1990, there was no appropriate entry in Schedule I to levy tax on vehicles permitted to ply as stage carriages and to carry more than six persons (excluding the driver) and plying on inter-State routes not covered by any inter-State agreement for the levy of single point tax. However, the Government has been collecting from 1st October, 1983 for such vehicles, taxes at the rate covered by inter-State tax. This has to be validated by making the amendment to the entry against sub-item 2(c) of item 4 of the First Schedule to the principal Act to be effective from 1st October, 1983. There are a few other formal amendments required to the Act consequent on the enactment of the Motor Vehicles Act, 1988 and the change in the nomenclature of goods vehicles into goods carriage. Necessary amendments to these effects have to be made in the principal Act together with a suitable provision for validation.

3. The Bill seeks to achieve the above object.

**STATEMENT OF OBJECTS AND REASONS FOR ACT 4 OF 1992**

For the purpose of augmenting and generating funds to the chequer, the rates of tax on transport vehicles are proposed to enhanced. In schedules I, IA, and IB, to the Puducherry Motor Vehicles Taxation Act, 1967, the classification of personalized vehicles has been shown according to the horse power of the vehicles. This classification is required to be changes according to the cubic capacity of the vehicles as the Motor Vehicles Act, 1988, stresses importance on cubic capacity. The revision tax and classification of personalized vehicles necessitate amendment to Schedules I, IA, TB, and II of the Puducherry Motor Vehicles Taxation Act, 1967 (hereinafter referred to as the principal Act)

A notification was issued in Chief Secretariat (Transport) G.O.Ms. No. 13/ 92-Wel. (Tr.), dated 1st April 1992, making amendments to Schedules I and II of the principal Act. Thereafter another notification under section 3 and 4 of the said Act was used prescribing the revised rates of tax to be effective from the quarter commencing on the 1st day of April 1992. There are a two other formal amendments requires to the schedules IA, and IB the principal Act based on the changes proposed to be made the classification of vehicles. Necessary amendments to these effects have to be made to the principal Act.

This Bill seeks to achieve the above object.
STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1993

In deference to the demand of Puducherry Lorry Owners' Association who have been representing for reduction of quarterly tax levied on goods carriages, it is proposed to revert to the rates which were existing prior to April, 1002 in respect of goods carriages. The revision in tax and classification of goods carriages according to laden weight necessitate amendment to Schedules I and II of the Puducherry Motor Vehicles Taxation Act, 1967 (hereinafter referred to as the principal Act).

A notification was issued in chief secretariat (Transport) G.O.Ms. No. 16/ 93-Wel.(Tr.), dated 1st April, 1993, making amendments to Schedules-I and II of the principal Act. Thereafter another notification under sections 3 and 4 of the said Act was issued prescribing the revised rates of tax to be effective from the quarter commencing on the 1st day of April, 1993, vide H.G.O.Ms. No. 17/ 93-Wel. (Tr), dated 1st April, 1993. Necessary amendments to these effects have to be made to the principal Act.

This Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1996

In order to mobilize the additional resources of revenue to this Additional ministration in the interest of public and to rationalise the tax, some of the provisions of the Puducherry Motor Vehicles Taxation Act. 1967 need change. To achieve the above object insertion of certain new provisional and modification in the Schedules to the Act are very much necessitated. It had been proposed to enhance the rate of tax on several categories of vehicles.

The Bill seeks to achieve the above object.

A notification was issued in G.O.Ms.No. 28/ 97-Wel.(Tr.), dated the 1st April, 1997 of the Chief Secretariat (Transport) making amendments to Schedule-I to the Puducherry Motor Vehicles Taxation Act, 1967. Simultaneously another notification under section 3 of the said Act was issued prescribing the revised rates of tax to be effective from the quarter commencing on and from the 1st day of April, 1997, vide G.O.Ms. No.27/ 97- Wel. (Tr.), dated the 1st April, 1997 of the chief Secretariat (Transport). Necessary amendments to these effects have to be made to the Principal Act.
STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1999

In order to mobilize the additional resources of revenue to Administration and to rationalize the tax, it has been proposed to enhanced quarterly tax in respect of stage carriages of certain categories.

(Tr), dated 1st April, 1999 of the Chief Secretariat, Puducherry. Necessary amendments to these effectives have to be made to the principal.

STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 2003

The Puducherry Motor Vehicles Taxation Act, 1967 provides for the levy of taxes on motor vehicles in the Union Territory of Puducherry.

2. It is found that the existing provisions of the Puducherry Motor Vehicles Taxation Act, 1967 do not help much to control the number of the tax defaulters which has been on the steady increase. It has therefore been proposed to amend the provisions of the said Act to provide for the prompt levy of taxes by including certain provisions in the said Act, whereby applications for fitness certificate and duplicate certificate of registration will not be entertained unless the tax due in respect of the vehicle is paid. The validity of the permit in respect of a transport vehicle shall also become ineffective if tax is not paid within the prescribed period. The amendment also proposed to provide for the recovery of tax which escaped assessment and to provide for fixing responsibility and liability in respect of offences committed by companies. It is also proposed to provide for the remission of both prospectively and retrospectively, the tax or penalty or both in respect of notified cases under prescribed circumstances and conditions. Further, it is proposed to levy tax in respect of motor vehicles kept for use in Puducherry also by amending section 3 of the Puducherry Motor Vehicles Taxation Act, 1967.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.8 OF 1967

The survey of Puducherry was done in 1889 and of Karaikal and Mahe in 1912 and 1929. It has been decided to undertake resurvey of the holdings in the Union Territory of Puducherry on the lines of the system obtaining in the State of Madras. The present Bill has been drafted on the lines of the Madras Survey and Boundaries Act, 1923. The Bill gives effect to the above proposal and also provides for preparation of records of tenants and for attaching presumptive evidence value to such records.

STATEMENT OF OBJECTS AND REASONS FOR ACT 28 OF 1970

Chapter-III of the Puducherry Survey and Boundaries Act, 1967 (Act No.8 of 1967) contained provisions for the preparation and publication of the Record of Rights of land-holders, their tenants and others interested in the lands and corrections thereto as a result of claims and objections. The Puducherry Settlement Act, 1970 (Act No.28 of 1970) which was passed by the Legislature subsequently made similar provisions and also deleted sections 15 to 20 in the said Chapter-III. It is necessary to delete clauses (i), (j), and (k) of sub-section (2) of section 28 of the Puducherry Survey and Boundaries Act, 1967 which deals with the rule making power of the Government in regard to the preparation, publication and correction of the Record of Rights.

The present bill seeks to achieve this objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 5 OF 1969
There has been a tendency to demand disproportionately high rent by the Landlords in the principal towns in the Union Territory of Puducherry. In order to see that the rights of the tenants are adequately safeguarded and also to see that public servants are provided with accommodation, the Government consider it necessary to control accommodation and rent. Accordingly, a bill has been drafted on the lines of the Madras Buildings (Lease and Rent Control) Act, 1960 which permits eviction of tenants only for proper reasons and also empowers the Controller to fix fair rents.

STATEMENT OF OBJECTS AND REASONS FOR ACT 15 OF 1970
The object of this Bill is only to effect a minor correction in sub-section (1) of section 33 of the Puducherry Buildings (Lease and Rent Control) Act, 1969 (No.5 of 1969). The words ‘in the Official Gazette’ are proposed to be added after the word “notification” in that sub-section.

STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1972
The Puducherry Buildings (Lease and Rent Control) Act, 1969 (No.5 of 1969) came into force on 1st August, 1969. Under sub-section (4) of section 1, the Act has validity only for a period of 3 years, i.e., upto 31st July, 1972. It is proposed to extend its life by a further period of 5 years.

The amendment Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 1 OF 1977
The Puducherry Buildings (Lease and Rent Control) Act, 1969 (No.5 of 1969) came into force on 1st August 1969. Under sub-section (4) of section 1, the Act had validity only for a period of 3 years i.e. upto 31.7.72. Hence an amendment to the Act was passed in 1972 extending the life of the Act for a further period of 5 years i.e. upto 31.7.77, it is proposed to extend its life by a further period of 3 years.

The amendment Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1980
The Puducherry Buildings (Lease and Rent Control) Act, 1969 was originally framed on the lines of the then existing Tamil Nadu Act with appropriate modifications to suit local conditions. After 1969, lots of changes took place in the concept of landlord-tenant relationship and also pronouncements in certain judgments of the High Court and the Supreme Court necessitated the amendment of the provisions of the Act, since these cases were with reference to the Tamil Nadu Act, the Tamil Nadu Government had already amended their Act in 1972-73. Meanwhile, this Administration also took steps to amend our Act to keep pace with case law development and also to make it conform to the latest thinking on the subject.
The amendments inter alia include provisions empowering the Authorised Officer to order repair of the rented buildings, increase of fair rent in view of the changed circumstances and also introduction of revised procedure in the calculation of rent, making it statutory for the landlord to issue a receipt for the actual amount of rent or advance received by him, providing legal protection to Service/ex-service personnel and the Government servants to get their rented houses vacated as expeditiously as possible and also to make further consequential amendments.

The duration of the original Act was only upto 31-7-1977, i.e., eight years from the commencement of the Act and subsequently extended upto 31- 7-1980 by the Amendment Act of 1977 (No.1 of 1977). It is now proposed to make it a permanent statute.

The draft Bill seeks to achieve the above objects.

**STATEMENT OF OBJECTS AND REASONS FOR ACT 10 OF 1987**

The Central Government has informed that the Officers of the Indian Railways face serious difficulties in getting their own houses vacated from tenants after their retirements and hence the Rent Control Law should provide for vacation of tenants occupying the houses of railway employees who desire to get their own houses to occupy after retirement. Clause (a) of sub-section (3B) of section 10 at present enables a landlord who, being a person in the occupation of any residential premises allotted to him by the Central Government or State Government or any local authority, is required to vacate such residential accommodation or to incur certain obligation on the ground that he owns in the Union territory of Puducherry a residential accommodation either in his own name or in the name of the members of his family to get a right to recover immediately the possession of any premises let out by him. It is necessary that such a right accrues also to the persons in the service of the Central or State Government or any local authority who want to recover possession of his residential building for his own occupation after retirement and such a provision will help the retired railway employees also. It is therefore proposed to amend clause (a) of sub-section (3B) of section 10 of the Puducherry Buildings (Lease and Rent Control) Act, 1969 for this purpose.

The Bill seeks to achieve the above object.

**STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1969**

The Indian Partnership Act, 1932 has been extended to this Territory under the Puducherry (Laws) Regulation, 1963 with effect from the 1st October, 1963. At present, that Act does not confer power on the Registrar to refuse to register a firm or the alteration of firm name when he is of the view that registration of the firm would be a colourable imitation of the names, already registered and the public are likely to be misled and deceived by the name of the new firm. It is in order to prevent this mischief that sub-section (3) of section 58 has been suitably amended, Provision has also been made for appeal against the order of the Registrar.

The rate of fees for filing various notices, etc., with the Registrar of Firms, prescribed in Schedule I to the said Act, is very low and it is proposed to amend the Schedule so as to bring the fees chargeable under it to the same level with those levied in the State of Tamil Nadu. The present Bill seeks to achieve the above objects.

**STATEMENT OF OBJECTS AND REASONS FOR ACT 9 OF 1969**

The Societies Registration Act, 1860 has been extended to this Territory under the Puducherry (Laws) Regulation, 1963 with effect from 1-10-1963. The existing provisions of the said Act do not contain regulations for an effective and close watch over the conduct and affairs of societies and non-profitable associations. For the efficient running and smooth conduct of such societies, it is necessary that the Government should be able to obtain periodical information of their conduct and activities. It is proposed to amend the Societies Registration Act, 1860 suitably in its application to the Union Territory of Puducherry to achieve the above objects.

THE INDIAN PORTS (PUDUCHERRY AMENDMENT) ACT, 1969
(Act No. 10 of 1969)

5th October, 1969.

AN ACT
to amend the Indian Ports Act, 1908, in its application to the Union territory of Puducherry.

BE it enacted by the Legislative Assembly of Puducherry in the Twentieth Year of the Republic of India as follows:-

Short title, extent and commencement

1. (1) This Act may be called the Indian Ports (Puducherry Amendment) Act, 1969.
   (2) It shall extend to the whole of the Union territory of Puducherry.
   (3) It shall come into force on such date as the Government may, by notification in the Official Gazette, appoint.

2. For section 36 of the Indian Ports Act, 1908 (15 of 1908) (hereinafter referred to as the Principal Act), the following section shall be substituted, namely: -

Omission of section 37

3. Section 37 of the principal Act shall be omitted.
STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 10 OF 1969

The Indian Ports Act, 1908 (Central Act XV of 1908) has been extended to this Territory with effect from 1-10-1963 under the Puducherry (Laws) Regulation 1963. According to Section 36 of the Act, all receipts at the Port under the Act have to be credited to a Port Fund and all the expenses incurred for the sake of the Port excluding expenses on Pilotage but including the pay and allowances of Port Staff, improvements to the Port, etc., have to be debited to the Fund. Section 37 of the Act empowers the Government to group a number of ports as constituting a single port for the purpose of crediting all the receipts into a Port Fund and for meeting the expenditure in respect of Ports. The revenue of the Puducherry Port will not be sufficient to cover the entire cost of the establishment and also the expenditure involved on the improvement of the Port. The Government of India who were appraised of the difficulties involved in creating a Port Fund for Puducherry Port have advised that this Administration may amend the Indian Ports Act, 1908 so as to merge the Port Fund with the Consolidated Fund of the Territory.

Accordingly, the present Bill seeks to amend Section 36 of the Act so as to merge the Port Fund with the Consolidated Fund to the Union Territory of Puducherry. There will be no separate Port Fund in this Union Territory and the entire revenue of the Port will be credited to the Consolidated Fund of Puducherry and the entire expenditure on the Port will be met out of the Consolidated Fund of Puducherry. The Bill also seeks to delete Section 37 of the Act as there will be no separate Port Fund and the question of grouping the Ports for the purpose will not arise.

NOTES ON CLAUSES

Clause: (1) This is a title clause and defines the jurisdiction of the Act. The Government is empowered to fix the date of enforcement of the Act.

Clause: (2) This clause amends section 36 of the Indian Ports Act 1908 (Act XV of 1908) so as to merge the Port Fund with the consolidated Fund of the Union Territory of Puducherry (crediting entire receipt to and meeting entire expenditure from the Consolidated Fund).

Clause: (3) This clause deletes section 3 of the Indian Ports Act 1908 (Act XV of 1908), since there is no separate Port Fund in the Union Territory of Puducherry and as the question of grouping the Ports for the purpose does not arise.

The Employer shall, if so required by a requisition in writing, by the Electricity Department of the Government of Puducherry or by an officer authorised by it in this behalf, make the deductions authorised under clause (dd) of sub-section (2) of section 7 from the wages of the employed person and remit the amount so deducted in such manner as the State Government may, be general or special order, specify.”

STATEMENT OF OBJECTS & REASONS FOR ACT NO. 9 OF 1970

The Payment of Wages Act, 1936 has been extended to this Territory under the Puducherry (Laws) Regulation, 1963 with effect from 1-10-1963. Section 7 (2) (d) of the said Act provides for effecting deductions from the wages of the workers towards rent for house accommodation allotted by the employers or the Government. The Government has provided accommodation to such workers in the Industrial Housing Colony, Gandhi-nagar and rents are being deducted by virtue of the provisions referred to above. But, however, no provision has been made for the recovery of electricity consumption charges. For this purpose, necessary provision has been incorporated on the lines of amendment made in this behalf by the Government of Tamil Nadu. The present Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 12 OF 1970

There is no comprehensive Excise law in force in this Union territory at present. A set of French deliberations deal with toddy, while another set deals with arrack, and so on. Inspite of their large number, the existing deliberations are not able to cope with present day needs. For instance, except doubling of consumption duty in 1965, no revision of fees under the deliberation has been effected since de jure transfer. Besides, under the present set-up, no export duty can be levied on the excisable articles and similarly no duty can be levied on the import of denatured spirit. Thus the Administration is losing a sizable revenue under these items. The upward revision and levy of fees under these items have become imperative now in the context of raising the additional resources for the implementation of the Fourth Five Year Plan.

The deliberations now in force do not provide for on the spot arrest of the accused by the Excise Officers. So, in many cases, it so happens that the accused give false names and escape the clutches of law. Further, the deliberations do not provide for a deterrent punishment, as imprisonment can be given only in default of payment of fines. This has been commented upon by the Committee on Estimates also.

It has therefore become necessary to undertake a comprehensive legislation relating to production, manufacture, possession, import, export, transport, purchase and sale of liquors and the levy of duties of excise due thereon.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 7 OF 1972

The Molasses Control Order, 1961 was extended to this Union territory on 7.6.1965. It was decided to frame rules after obtaining legislative authority under the Excise Act. When the question of framing of rules on the subject was taken up, it was felt that this could be done only after making suitable amendments to the Excise Act. It is therefore been decided to insert a new definition 2 (20-A) and a new section 8-A for the purpose. Besides, it has been considered necessary to insert a new section 37-A for providing for penalty for allowing one's premises, vehicles, etc. to be uses for the purpose of committing an offence under the Act. Schedule-I is also amended with a view to empower the Government to levy excise duty on the bottled toddy produced locally.

The Bill seeks to achieve the above objects.
STATEMENT OF OBJECTS AND REASONS FOR ACT 3 OF 1989

The Puducherry Excise Act, 1970 (No.12 of 1970) in Chapter VII provides for offences and penalties. The penalties provided for various offences are not adequate. Even where the offences are compoundable, the maximum compounding fee, which can be levied has been fixed at Rs.1,000 only. These inadequate penalties have no deterrent effect against the commission of offences, violating the provisions of the above said Act. The liquor trade being a spurious one having bearing on the health of the people, it is felt necessary to make the penalties under the Excise Act stringent to have the deterrent effect on the offenders. It is therefore proposed to amend the penal provisions of the Puducherry Excise Act with a view to enhance the terms of imprisonment and the amount of fine leviable for different offences and also prescribe in appropriate cases mandatory minimum punishment of imprisonment and fine. It is also felt necessary to provide for empowering the police officers to conduct searches without warrant under section 53 and to file complaint for prosecution under section 59 (b). It is further proposed to enhance the maximum limit of excise duty provided for against item No.1 of the Schedule I from Rs.2,700 to Rs.6,000. For timely revision of excise duties, it is proposed to take power to amend the Schedule by a notification subject to passing of legislation subsequently to carry out the amendment made by the notification in the Schedule I.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 2007

It was announced in the budget speech for the year 2007-2008 by the Chief Minister that Additional Excise Duty/Additional Countervailing Duty on IMFL, Wine and beer will be introduced in lieu of sales tax. Pursuant to the announcement, Government have issued a notification under section 70A of the Puducherry Excise Act, 1970 (12 of 1970) making an amendment to Schedule-I to the said Act providing the maximum rate of Additional Duty upto Rs.750 per bulk litre on IMFL and Wine and maximum rate of Additional Duty upto Rs.50 per bulk litre on Beer, to accommodate the subsequent increase of rates in future, if any. As required under the first proviso to sub-section (2) of section 70-A of the said Act, a bill to give effect to the above amendment to Schedule-I, is introduced in the Legislative Assembly.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR EXCISE (AMENDMENT) ACT 2011

In order to provide a uniform law relating to the production, manufacture, possession, import, export, transport, purchase and sale of liquor and intoxicants and the levy of duties of excise thereon in the Union territory of Puducherry, the Puducherry Excise Act, 1970 was enacted on 3rd June 1970. Entry 51 of list II of Seventh Schedule to the Constitution empowers the States to collect duties of excise on the goods of alcoholic liquor for human consumption manufactured or produced elsewhere in India. It was announced in the Budget Speech for the year 2007-2008 that Sales Tax on IMFL and Beer is abolished and in lieu thereof, additional excise duty was imposed for mobilising additional revenue to the exchequer. STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 13 OF 1970

Under The French law viz. the Decree of 12th March, 1880, the Mayors are empowered with the approval of the local Government to issue orders regarding building lines, public streets, thoroughfares etc. But these powers are not adequate and in conformity with the present requirements. The Puducherry town and its environs are having a non-planned growth and buildings, factories and workshops have been coming up without any regard for ventilation, sanitary facilities, causing also a problem for public safety and health. Slums have been also developing like mushrooms. At present, there is no local enactment for regulating town planning or for enforcing Zoning or building regulations. Therefore, the present Bill has been prepared on the model Bill sent by the Government of India to provide for planned development and use of rural and urban land in the Union territory of Puducherry.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 15 OF 1971

The Puducherry Town and Country Planning Act, 1969 (No. 13 of 1969) was assented to by the President on 20th May 1970. While communicating the assent, the Government of India pointed out that the section in the Act with respect to the acquisition of the property for the purposes of development plan should be amended in such a way to dispense with notification under section 4 and declaration under section 6 of the Land Acquisition Act, 1894 and to achieve these objects by making suitable references in the provisions of the Act itself. It was also suggested that while determining the amount of compensation, the market value could be fixed as on the date of notification of the Planning area under section 8 of the Act, especially in view of the decision of the Supreme Court (in State of Gujarat Vs. Shanthilal AIR 1969 S.C. 634). Accordingly amendments have been made to sections 8, 18,33 and 51 of the Act. The other provisions of the Land Acquisition Act are also made applicable with such modifications referred to in the Schedule to the Act. The Bill thus seeks to achieve the objects stated above.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 10 OF 1981

The Puducherry Town and Country Planning Act, 1969 (No. 13 of 1970) in sub-section (2) of section 11, as originally enacted specified the members to be appointed on every Planning Authority constituted under sub-section (1) of the said section. The said sub-section (2) was amended by section 132 of the Puducherry Housing Board Act, 1973 (No. 7 of 1974) which states that the Chairman and members of the Housing Board constituted under section 3 of the said Act will be the Chairman and members of every Planning Authority. As this provision is not found to be helpful to achieve the objects of the Puducherry Town and Country Planning Act, it is felt necessary to further amend sub-section (2) of section 11 of the said Act enabling appointment of Chairman and members of every Planning Authority independent of the Chairman and members of the Puducherry Housing Board.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 3 OF 2009

Section 4 of the Act provides for the term of office and conditions of service of the Chairman and members of the Board. Sub-section (2) of section 4 provides that the Chairman and the other members of the Board shall be entitled to receive travelling allowances as may be fixed by the Government. Now, in view of the specific provision of sub-section (2) of section 4 and in view of the fact that the Minister in-charge of Town and Country Planning has been statutorily nominated as the Chairman of the Board, it has become necessary to declare by law that no person shall be disqualified for being chosen as or for being a member of the Legislative Assembly by virtue only of the fact that he is a Chairman or a member of the Board.

For the said purpose, a new section 4A is proposed to be incorporated in the Act to meet the above-mentioned requirements.

The Bill seeks to achieve the above objects.

(2) If the application made under sub-section (1) is allowed, the Collector shall set aside the sale and may direct a fresh one.

Contracts and payments binding on purchaser

43. All contracts entered into by the defaulter with his tenants, and all payments made to him by the said tenants shall be binding upon the purchaser to the same extent and under the same conditions as the contracts and payments are binding on the Collector under sections 32 and 33.

Sale to be free of all encumbrances and disposal of surplus

44. All lands brought to sale on account of arrears of revenue shall be sold free of all encumbrances, and if any amount remains after liquidating the arrears with interest and the expenses of attachment and sale and other costs due in respect to such arrears, it shall be paid over to the defaulter unless such payment is prohibited by any court of competent jurisdiction.

Provided that no person shall be imprisoned on account of an arrear of revenue for a longer period than two years or for a longer period than six months, if the arrear does not exceed rupees five hundred, or for a longer period than three months, if the arrear does not exceed rupees fifty:

51. When land-revenue is payable in kind, it shall be lawful for the Collector or other officer empowered by him in this behalf, to prevent the removal of the crop from the land until a division has been made, and the portion which belongs to the Government has been set apart, unless the landholder furnishes such security as the Collector may deem satisfactory.

Where property attached or distrained is put up for sale, and the sale is countermanded, the proprietor shall, nevertheless, be responsible for the expenses incurred in consequence of the attachment or distraint, in the same manner as if the sale had taken place; and in the event of such proprietor omitting to discharge the amount, it shall be recoverable by the same process under which the original demand would have been recoverable.

Receipts for payments of revenue

56. Every person making a payment of revenue shall be entitled to a receipt for the same, signed by the Collector or other officer empowered by him in this behalf and such receipt shall state the name of the person making the payment and the subject-matter in respect of which it is paid, and, in case of land-revenue, shall describe the land on which the assessment is due and the names of the persons entered in respect thereof in the settlement account.

(1) Where a defaulter or his surety resides or holds property outside a region, wherein default has been made, the Collector of the region, in which such defaulter or surety resides or holds property shall, on the written application of the Collector in whose region such default has been made, proceed in all respects against the defaulter and his surety, and his or their property in the same manner as if the default had been made in his own region.

(2) Every application under sub-section (1) shall be signed and sealed by the Collector making it and shall be conclusive as to the amount due, and the party in arrear, in all proceedings against the Collector acting upon such application, or any person acting under his authority; and no proof of the seal, or signature or official character of the Collector making the application shall be required, unless the court has reason to doubt its genuineness:

Provided that no court shall take cognizance of such suit unless it is instituted within six months from the date on which the cause of action arose.
Claim of Government to have precedence over all others

60. The claim of the Government to any moneys recoverable under the provisions of this Act shall have precedence over any other debt, demand or claim whatsoever whether in relation to any mortgage, judgment, decree, execution or attachment or otherwise against any land or the holder thereof.

Repeal and savings

61. All laws in force in the Union territory corresponding to the provisions of this Act shall stand repealed as from the coming into force of this Act:

Provided that anything done or any action taken, including any notification, instruction or direction issued, properties distrained or sold, under the law so repealed, shall be deemed to have been done or taken under the provisions of this Act and shall continue to be in force accordingly unless and until superseded by anything done or any action taken under this Act.
STATEMENT OF OBJECTS AND REASONS FOR ACT 14 OF 1970

At present the French Law for the recovery of arrears of revenue is being followed in this Union Territory. This law has several infirmities and the procedure is cumbersome. There is also no provision enabling the Government to recover amounts due to the other State Government and Central Government. Very frequently, this Administration has also to approach the other State Governments for recovery of amounts due to this Government from persons residing outside the Union Territory. In order to remedy these defects, it has been, decided to enact a self-contained legislation on the lines of the Madras Revenue Recovery Act, 1864 with suitable modifications to this territory.

STATEMENT OF OBJECTS AND REASONS ACT 11 OF 1973

Section 24 (2) of the Act provides that where a property destrained for arrear of revenue fetches at a resale a higher price than what it had fetched at the first sale the increase shall be paid to the defaulter. So, it is not possible to adjust the increase towards the arrears of revenue for which distraint was made. With a view to enable such adjustment, it is proposed to suitably amend section 24 (2) of the Act.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 12 OF 1988

The Puducherry Revenue Recovery Act, 1970 at present, defines the expression “Collector” in clause (a) of section 2 to mean specified officers. It is necessary to take powers to appoint any officer to perform the functions of the Collector under the said Act so that when new functionaries are created for revenue recovery they can be vested with the powers of the Collector. It is therefore proposed to amend clause (a) of section 2 of the said Act for the purpose.
STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1990

The Puducherry Revenue Recovery Act, 1970 at present prescribes levy of interest on arrears of revenue at 6 per cent per annum. With the amendment of the State Financial Corporations Act, 1951, the loans advanced by the Financial, Industrial Development Corporations can also be recovered as arrears of land revenue under the Revenue Recovery Act of the State. In many cases, where the repayment of loan has not been done, action has been taken to recover the same under the Puducherry Revenue Recovery Act, 1970. The Puducherry Industrial Promotion Development and Investment Corporation is getting funds from the Industrial Development Bank of India at 9.5 per cent rate of interest. When the arrears of loans are only charged with 6 per cent interest under the recovery proceedings of the Puducherry Revenue Recovery Act, 1970, the Corporation is at a loss.

With a view to avoid the loss that the Corporation may sustain on account of the difference in the rate of interest paid by the Corporation with those chargeable on the defaulting loaners of the Corporation under the revenue recovery proceedings and also in view of the hike in Bank interest rates at present, it is proposed to revise the rate of interest on the arrears of revenue under the Puducherry Revenue Recovery Act from 6 per cent to 12 per cent. It is also expected that the revision will also induce the loaners to effect prompt repayment in future. It is therefore proposed to amend suitably the provisions of section 7 of the said Act of the said purposes.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 17 OF 1998

After introduction of the Registration Act, 1908 in the Union territory of Puducherry, it has been observed in some cases that by virtue of the existing provisions of section 28 of the said Act, a small extent of land is purchased in the adjoining State by the landowners in this Union territory and two properties, one in the adjoining State and another in the Union territory of Puducherry are conveyed in the adjoining State itself. Thereby, the loss of revenue to this Government has been estimated to be to the tune of about Rs.7.06 lakhs between the years 1990 and 1993.

It is therefore proposed to amend section 28 of the Registration Act, 1908 as applicable to this Union territory to prevent such registration and loss of revenue to this Union territory in future and to treat any document relating to property situate in the Union territory of Puducherry and registered outside this Union territory to be null and void. The Bill seeks to achieve the above objects.
THE REGISTRATION (PUDUCHERRY AMENDMENT) ACT, 2002.

(Act No. 11 of 2002) [16-7-2002]

AN ACT

further to amend the Registration Act, 1908 in its application to the Union territory of Puducherry.

BE it enacted by the Legislative Assembly of Puducherry in the Fifty-third Year of the Republic of India, as follows:-

Short title and commencement.

1. (1) This Act may be called the Registration (Puducherry Amendment) Act, 2002.
   
   (2) It shall come into force on such date as the Government may, by notification in the official gazette, appoint.

Insertion of new section 22-A

2. In the Registration Act, 1908 (Central Act 16 of 1908), after section 22, the following section shall be inserted, namely:-

   Documents registration of which is opposed to public policy

   22A. (1) The state Government may, by notification in the official gazette, declare that the registration of any document or class of documents is opposed to public policy.

   (2) Notwithstanding anything contained in this Act, the registering officer shall refuse to register any document or class of documents to which a notification issued under sub-section (1) is applicable.
STATEMENT OF OBJECTS AND REASONS FOR ACT 17 OF 2002

Under, the provisions of the Registration Act, 1908 as in force in the Union territory of Puducherry, the Registering Officers are not empowered to verify the title of the executant. This has given rise to a number of instances where several documents involving alienation of landed properties have been registered in contravention of the provisions of socio-economic legislations like the Puducherry Cultivating Tenants Protection Act, 1970; the Puducherry Occupants of Kudiyiruppu (Conferment of Ownership) Act, 1973; the Puducherry Land Reforms (Fixation of Ceiling on Land), 1973; Land Grant Rules, 1975 etc. On a study of the position obtaining in other States on the subject matter, it has been found that insertion of an additional provision viz., section 22-A in the Registration Act enabling the Registering Officers to refuse to register documents notified as opposed to public policy would go a long way in curtailing the malpractices. Documents purporting to alienate lands covered by socio-economic legislations can be notified as documents opposed to public policy. This power vested in the Registering Officers has enabled the prevention of the incidence of malpractices mentioned above, to a great extent. It is, therefore, proposed to bring an amendment in the Registration Act, 1908 in its application to the Union territory of Puducherry on the above lines.

The Bill seeks to achieve the above objects.

**STATEMENT OF OBJECTS AND REASONS FOR ACT 17 OF 2004**

The Government of Puducherry has proposed to computerize the activities relating to registration of documents and issuance of copies thereof under Registration Act, in order to reduce delay and introduce transparency.

It is therefore necessary to amend the provisions of the sections 2, 16, 51, 61 and 89 suitably and insert a new Part-XI-A containing sections 70-A, 70-B and 70-C in the Registration Act, 1908 in its applications to the Union Territory of Puducherry so as to enable computerization of the process of registration of documents in addition to the existing manual system as provided in the said Act. It will obviate the problems faced in the manual system and will speed up the work of registration offices besides making it transparent.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 21 OF 1970

Under Article 23 of Schedule I of the Indian Stamp Act, 1899 (Central Act 2 of 1899), the stamp duty on documents relating to conveyance of properties is chargeable only on the value of consideration. It is difficult to adduce evidence as to the receipt of higher consideration. So, naturally, the parties note only lesser consideration in the documents and evade stamp duty. This criterion is proposed to be changed so as to enable the assessment of stamp duty based on the market value of the property.

A definite procedure has to be laid down in dealing with cases of under valuation. So, a new Section 47-A is introduced. Sections 24, 25, 27, 28 and some of the articles under Schedule I are proposed to be amended only as a sequel to the revised procedure.

At present, the Collector has no power to impound a document produced before him for adjudication under section 31 of the Act. The amendment made in clause 6 of the Bill confers this power on the Collector.

Section 45 of the Act is proposed to be amended to allow more time for application to refund the excess duty levied. This is of no consequence except that it gives more time to the party.

Section 78 prescribes the rounding of the duty payable to the nearest ten paise. But the amendment proposed in clause 9 of the Bill permits the rounding of to the next higher multiple of five paise.

The general consequence of the amendments is to prevent under valuation of documents resulting in loss of revenue to Government.

The present Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1993

It has been observed that with a view to avoid the higher stamp duty payable on conveyance, parties are resorting to the practice of entering into partnerships and, thereafter, dissolving them and transferring properties to one another through such dissolution.

2. With a view to avoid leakage of revenue it is found necessary to enhance the stamp duty for the dissolution of partnerships where such dissolution involves the transfer of property belonging to one partner or partners to the other partner or partners.

3. It is therefore proposed to amend Entry No.46 of Schedule I to the Indian Stamp Act, 1899 (Central Act No.2 of 1899) so as to provide for charging as conveyance the instrument of dissolution of partnership involving transfer of property from one partner or partners to other partner or partners.

STATEMENT OF OBJECTS AND REASONS FOR ACT 7 OF 2001

The Indian Stamp Act, 1899 (Central Act 2 of 1899) was extended to the Union territory of Puducherry with effect from 9-1-1969 and after such extension lesser rates of stamp duty were prevailing in this Union territory. In view of this there is a loss of revenue felt on the exchequer. In order to avoid this and in view of the exigency of the budgetary needs, Schedule-I to the Indian Stamp Act, 1899 is proposed to be amended so as to enhance the stamp duty chargeable on the instruments viz. Agreement, Conveyance, Cancellation, Gift, General Power of Attorney, and Settlement. With a view to bring the rates of stamp duty in conformity with the recommendations of the Committee of Finance Ministers, it is also proposed to revise the rates of stamp duty chargeable on the instruments, namely, Partition and Mortgage.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 25 OF 1970

Representations have been received from the Agricultural labourers of Karaikal region for the enactment of a Legislation for providing them fair rates of wages. The Karaikal Pannayal Protection Act, 1966 (No.3 of 1966) has already been passed to regulate the relationship between the farm labourers (Pannayals) and the landowners and provide a machinery for the settlement of disputes between them. But, there is no law to provide for the payment of fair rates of wages to the agricultural labourers. In the context of Tamilnadu having introduced a legislation in parts of Tanjore District bordering Karaikal region, the need for the enactment of a similar legislation has now become imperative. The present Bill which has been prepared on the model of the Tamilnadu Agricultural Labourer Fair Wages Act, 1969 (No.19 of 1969) seeks to achieve this object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1974

The Karaikal Agricultural Labourer Fair Wages Act, 1970 provides for the payment of fair wages specified in the Act by every landowner to agricultural labourers engaged by him for all kinds of work during the cultivation season and at harvest. This Act was enforced with effect from 10th September, 1970 and so, as per sub-section (4) of section (1) of the Act, the law expired on 9-9-1973. The legislation was originally enacted because a similar law, viz., The Tamil Nadu Agricultural Labourer Fair Wages Act, 1969 was in force in the adjoining district of Tanjore. The said Tamil Nadu Act, though originally was intended for 3 years, has now been made permanent. It is, therefore, considered necessary that the life of the Karaikal Agricultural Labourer Fair Wages Act is extended by another 3 years in the first instance. The action taken after the expiry of the Act and before the commencement of the amending Act, are also to be validated.

The Bill intends to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 26 OF 1970

There are large number of money-lenders in this Union Territory who lend money to the public at exhorbitant rates of interest. It has therefore become necessary to control and regulate the business of money-lenders by introducing the system of licensing. The Puducherry Pawn Brokers’ Act, 1966 (Act 11 of 1966) has already been passed in this Union territory to regulate and control the business of the Pawn Brokers who give loans after obtaining security from the borrowers. But there is no such law in respect of the business of the money-lenders who give loans without any security. The present bill which has been prepared on the model of the Madras Moneylenders’ Act, 1957 (Act XXVI of 1957) seeks to achieve this object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 7 OF 1983

The Puducherry Money Lenders Act, 1970 (Act No.26 of 1970) was enacted on the same lines as the Tamil Nadu Money Lenders Act, 1957. In the course of implementation of their Act, the Tamil Nadu Government encountered some difficulties in the successful implementation of the Act and made amendments to their Act. As the Puducherry Money Lenders Act, 1970 is also on the same lines, it has been felt necessary to make similar amendments to this Act also for example in clause (i) of section 2 of the Act, the term “bank” has not included in the nationalised banks and subsidiary banks and hence it is proposed to include the said banks also in the definition of that term. It is also proposed to amend item (vi) of clause (6) of section 2 which excludes from the scope of the Act, advances made on the basis of negotiable instruments exceeding Rs. 3,000, so as to enhance the monetary limit from Rs. 3,000 to Rs. 10,000. It is also proposed to insert a new item providing for exemption in respect of advances made by any company or corporation owned or controlled by the Central Government or any State Government.

It has also been felt necessary to amend section 7 (1) of the Act so as to empower the Government to fix and revise the rates of interest from time to time by notification. Similarly, some other consequential amendments have also been proposed wherever necessary.

STATEMENT OF OBJECTS AND REASONS FOR ACT 7 OF 2004

The Puducherry Money Lenders Act, 1970 has been brought into force in this Union Territory with effect from 1-10-1970. After such extension, lesser rate of licence fee and fine amount were prevailing in this Union Territory. Since the rates fixed in this regard were not enhanced from time to time, the revenue to the exchequer was very low and in order to augment more revenue to the exchequer, the licence fee and the renewal fee are proposed to be enhanced from rupees 35 and rupees 25 respectively to Rs. 150 each with the ceiling limit of Rs. 500 for granting licence and its renewal. It is also proposed to provide for compounding of offences under the said Act so as to quicken process of justice.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 28 OF 1970

A system of Land Tax, Land Records and classification operations of land are governed in this Union territory by the following Deliberations and Arrete:-

Deliberations dated 9th December, 1909 relevant to the Survey of Puducherry.

Deliberations dated 13th November 1910 relevant to the Land Tax in the Puducherry Settlements.

Decree dated 27-6-1912 approving these Deliberations up to 31-12-1913.

According to the substance and provisions of the Deliberations referred to, the land tax was being fixed once in ten years by a Commission set up for this purpose. Reclassification operations under the French law are already overdue. The working group of Land Reforms had also considered it necessary to have a classification of soil and the rate of assessment fixed.

The Survey of Puducherry has been undertaken under the provisions of the Puducherry Survey and Boundaries Act, 1967 (8 of 1967). Revenue follow-up is essential and consequently Settlement operations ensue. The existing Land Records maintained do not reflect the actual state of agricultural structure and other economic conditions since there had been no fixity of tenures and no regular agency to make the records up-to-date.

At the instance of the Government of India a chapter comprising of sections 15 to 23 on Land Records was adopted in the Puducherry Survey and Boundaries Act, 1967. The provisions of the third chapter followed the pattern of the Tripura State, and they are now found to be not suitable to this Union territory, where the tenure and custom is different from that of the Tripura State. This chapter, is now sought to be deleted and appropriate provisions for the preparation of Land Records are sought to be made in this Bill. In order to introduced a uniform system of Revenue Administration on the lines obtainable in the surrounding areas of Tamil Nadu, Kerala and Andhra Pradesh, and to have a classified records with up-to-date details and,
basic date of all agricultural lands, etc., which are an essential prerequisite for implementing the various plan outlays and reformatory measures in accordance with the avowed policy of the Government of India in this regard, preparation of a settled account at the village level based on the survey records prepared under Act 8 of 1967 is found absolutely necessary.

The present Bill gives effect to the above proposals.

---

**STATEMENT OF OBJECTS AND REASONS FOR ACT 5 OF 2006**

By virtue of section 22 of the Puducherry Settlement Act, 1970, the Government exercises the revisional authority of its own motion or on the application of any person affected by the Orders of the Appellate Authority in respect of any proceedings under section 21 of the Act. Now, it is proposed to confer this revisional powers to the Secretary to the Government of Pondicherry (Revenue and Disaster Management) and to provide for amendments accordingly to section 2 and 22 of the Act. It is also proposed to provide for consequential transitory provisions.

The Bill seeks to achieve the above objects.

____________

STATEMENTS OF OBJECTS AND REASONS FOR ACT 2 OF 1971

The Public premises (Eviction of Unauthorized Occupants) Act, 1958 came into force in this Union territory under the Puducherry (Laws) Regulation, 1963 from 1.10.63.

While eviction of unauthorized occupants is possible under that Act, there is no provision either in the said Act or in any of the existing laws for levy and collection of land assessment and penalty on the encroached lands. This is sought to be remedied by the present Bill. The Bill is intended to be in operation simultaneously with the said Act and in that sense will be supplementary and complementary to it.

STATEMENT OF OBJECTS AND REASONS FOR ACT 4 OF 1971

In Mahe region, a comprehensive Land Reforms Act is in force. It provides among others for the fixing of tenure to the occupants of Kudiyiruppu and Kudikidappu. But there is no such protection for agriculturists and the agricultural labourers who are in occupation of kudiyiruppu in the other regions of this Union territory. Representations have been received in this regard both inside and outside legislature. It has therefore been decided to introduce a legislation on the model of the Tamil Nadu Occupants of Kudiyiruppu (Prevention from eviction) Act, 1961 (Tamil Nadu Act No.38 of 1961).

The present Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 1972

The Puducherry Occupants of Kudiyiruppu (Protection from Eviction) Act, 1970 came into force on 26-2-1971 on which date the assent of the President was received. It does not exempt from its purview the lands belonging to the Government, Local Bodies etc. It is proposed to amend the Act to provide for such exemption.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS ACT 5 OF 1971

At present in the Union territory of Puducherry, with the exception of Mahe region, there are no laws to regulate the relationship between the landlord and the cultivating tenant in so far as payment of rent is concerned. In other words, the landlords are free to charge any rent as may be agreed upon between them and their tenants. In the absence of such a measure, the incentive for the tenant to improve the land is lacking. The objectives of all land reforms are to create or introduce such measures which would be conducive or favourable to the cultivating tenants and thereby increasing the agricultural economy and promoting high level of efficiency in productivity. To achieve this purpose, it would be necessary to provide safeguards for the cultivating tenants with regard to the fixation of fair rent. The present Bill, inter alia, provides the manner and machinery for fixation of fair rent. The present Bill is based on the Tamil Nadu Cultivating Tenants (Payment of Fair Rent) Act, 1956 with suitable modifications.

STATEMENT OF OBJECTS AND REASONS ACT 8 OF 1973

The Puducherry Cultivating Tenants (Payment of Fair Rent) Act, (1970) came into force regions of Puducherry, Karaikal and Yanam of the Union territory of Puducherry on 1-4-1971. In the said Act, there is no specific provision exempting the Government and Municipal lands from the operation of the provisions of the principal Act. As such, section 2A is incorporated for this purpose. The amendment bill covering the above said matter seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT 9 of 1971

In Mahe, a comprehensive Land Reforms Act is in force. The Government intend bringing a comprehensive measure for tenancy reforms in the remaining areas. Pending introduction of a comprehensive bill, it is necessary to prevent eviction of Cultivating tenants from their holdings so as to give them a fixity of tenure. In Karaikal region, the Karaikal Tenants Protection Order, 1960 is in force. But there is no such enactment with regard to Puducherry and Yanam regions. It has been decided to extend the Protection to Cultivating tenants in these two regions by enacting a legislation broadly on the model of the Tamil Nadu Cultivating Tenants Protection Act, 1955. The bill is intended for Puducherry, Karaikal and Yanam regions.

The present Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT 6 OF 1982

The Puducherry Cultivating Tenants Protection Act, 1970 was framed on the model of the Tamil Nadu Cultivating Tenants Protection Act, 1955. As per section 4-A of the Tamil Nadu Act (section 5 of our Act) a landlord is permitted to resume one-half of the land leased out for the purpose of personal cultivation. Following a decision of the Madras High Court a situation had arisen in Tamil Nadu in which a landlord can resume possession of one-half of the land under section 4-A of the Tamil Nadu Act irrespective of any disqualification imposed in other sub-sections. Consequently the revenue courts had allowed a large scale resumption of land. In order to stop this, the Tamil Nadu Cultivating Tenants Protection (Amendment) Act, 1976 (Act XVIII of 1976) has been enhanced taking away the right of resumption from the landlords in any circumstances.

Though the number of cases in which lands have been resumed by landlords for personal cultivation may not be high in this Union territory, it is considered it will be fit and proper to disallow the entitlement of landlords to resume one-half of the land leased out for the purpose of personal cultivation in this Union territory on par with Tamil Nadu.

The Bill seeks to achieve the above objects.

1. Short title and commencement.
2. Payment of special allowance to the Parliamentary Secretary.
3. Office of Parliamentary Secretary not to disqualify.

*Amended vide Act No. 8 of 2009 with effect from 1.1.2005.
STATEMENT OF OBJECTS AND REASONS FOR ACT 12 OF 1971

The object of the Bill is to provide for the appointment of a Parliamentary Secretary from among the members of the Puducherry Legislative Assembly.

A Member of the Legislative Assembly who is appointed as Parliamentary Secretary will have to perform additional functions for which it is proposed to provide for payment to him a special allowance of Rs.150/- While so doing it is made explicit that by this appointment he will not incur any disqualification either for being chosen or being a member of the Assembly.

STATEMENT OF OBJECTS AND REASONS FOR ACT 8 OF 2009

The Parliamentary Secretary (Payment of Special Allowance and Prevention of Disqualification) Act, 1971 (Act No.12 of 1971) came into force w.e.f. 11.6.71. Section 2 of the said Act provides inter alia, for payment of special allowance of rupees one hundred and fifty per month to the Member of the Legislative Assembly who is appointed as Parliamentary Secretary. The quantum fixed in the principal Act in the year 1971 has now become very meagre. The salary and allowances of Ministers, Speaker and the Members were amended from time to time enhancing the quantum of salary and allowances to them. But the special allowance payable to the Parliamentary Secretary has not been revised for the last more than three decades.

Hence, it is proposed to enhance the quantum of special allowance payable to the Parliamentary Secretary from Rs.150 per mensem to Rs.1500 per mensem by amending section 2 of the Parliamentary Secretary (Payment of Special Allowance and Prevention of Disqualification) Act, 1971.

The Bill seeks to achieve the above object.
THE HINDU MARRIAGE (PUDUCHERRY AMENDMENT) ACT, 1971
(No. 14 of 1971)

ARRANGEMENT OF SECTIONS

SECTION
1. Short title and extent.
2. Insertion of new section 7A.

THE HINDU MARRIAGE (PUDUCHERRY AMENDMENT) ACT, 1971

AN ACT
to amend the Hindu Marriage Act, 1955, in its application to the Union
territory of Puducherry.

WHEREAS it is necessary to render valid suyamariyathai or seerthiruththa
marriages;

AND WHEREAS it is expedient to amend the Hindu Marriage Act, 1955
(Central Act 25 of 1955), in its application to the Union territory of Puducherry, for
the purposes hereinafter appearing;

BE it enacted by the Legislative Assembly of Puducherry in the Twenty-
second Year of the Republic of India as follows:-

Short title and extent

1. (1) This Act may be called the Hindu Marriage (Puducherry Amendment)

(2) It extends to the whole of the Union territory of Puducherry.

Insertion of new section 7-A in Central Act 25 of 1955

2. After section 7 of the Hindu Marriage Act, 1955 (Central Act 25 of
1955), the following section shall be inserted, namely:---
7-A. Special provision regarding suyamariyathai and seerthiruththa marriages.

(1) This section shall apply to any marriage between any two Hindus, whether called suyamariyathai marriage or seerthiruththa marriage or by any other name, solemnised in the presence of relatives, friends or other persons——

(a) by each party to the marriage declaring in any language (which is understood by the parties and by at least two persons in whose presence the marriage is solemnised), that each takes the other to be his wife or, as the case may be, her husband; or

(b) by each party to the marriage garlanding the other or putting a ring upon any finger of the other; or

(c) by the tying of the thali,

(2) (a) Notwithstanding anything contained in section 7, but subject to the other provisions of this Act, all marriages to which this section applies solemnised after the commencement of the Hindu Marriage (Puducherry Amendment) Act, 1971, shall be good and valid in law.

(b) Notwithstanding anything contained in section 7 or in any text, rule or interpretation of Hindu law or any custom or usage as part of that law in force immediately before the commencement of the Hindu Marriage (Puducherry Amendment) Act, 1971, or in any other law in force immediately before such commencement or in any judgment, decree or order of any court, but subject to sub-section (3), all marriages to which this section applies solemnised at any time before such commencement shall be deemed to have been, with effect on and from the date of the solemnisation of each such marriage respectively, good and valid in law.

(3) Nothing contained in this section shall be deemed to:-

(a) render valid any marriage referred to in clause (b) of sub-section (2), if before the commencement of the Hindu Marriage (Puducherry Amendment) Act, 1971,---

(i) such marriage has been dissolved under any custom or law; or

(ii) the woman who was a party to such marriage has, whether during or after the life of the other party thereto, lawfully married another; or
(b) render invalid a marriage between any two Hindus solemnised at any time before such commencement, if such marriage was valid at that time; or

(c) render valid a marriage between any two Hindus solemnised at any time before such commencement, if such marriage was invalid at that time on any ground other than that it was not solemnised in accordance with the customary rites and ceremonies of either party thereto:

Provided that nothing contained in this sub-section shall render any person liable to any punishment whatsoever by reason of anything done or omitted to be done by him before such commencement.

(4) Any child of the parties to a marriage referred to in clause (b) of sub-section (2) born of such marriage shall be deemed to be their legitimate child;

Provided that in a case falling under sub-clause (i) or sub-clause (ii) of clause (a) of sub-section (3), such child was begotten before the date of the dissolution of the marriage or, as the case may be, before the date of the second of the marriages referred to in the said sub-clause (ii)".

STATEMENT OF OBJECTS AND REASONS FOR ACT 14 OF 1971

There has been and continues to be in vogue among a section of the Hindus in this Union Territory a simple form of Hindu marriage known as suyamariyathai marriage or seerthiruththa marriage. Such marriage is solemnised by each party to the marriage, saying to the other that each takes the other to be his lawful wife or her lawful husband, or each party to the marriage garlanding the other, or putting a ring upon any finger or the other, or the tying of the thali. No other customary rites or ceremonies are performed or observed. The real intention of the parties to the suyamariyathai marriage or the seerthiruththa marriage is to enter upon a lawfully wedded life. It was presumably to simplify to some extent or to dispense with the usual ceremonies of a Hindu marriage and to minimize the expenditure connected with the marriage that the parties have adopted the suyamariyathai or seerthiruththa form of marriage. It is considered necessary in the public interest to legalise the suyamariyathai or seerthiruththa form of marriage, to validate past marriage of that type so to avoid disruption of the family and to make the children legitimate.
2. The Bill accordingly proposes to introduce new section as section 7-A in the Hindu Marriage Act, 1955 (Central Act 25 of 1955). Clause (a) of sub-section (2) of the said new section provides that all suyamariyathai or seerthiruththa marriages solemnised after the commencement of the amending legislation will be good and valid in law, notwithstanding that the marriages are not solemnised in accordance with the customary rites and ceremonies of the parties to the marriage. Clause 9b) of that sub-section validates past marriages, that is to say, suyamariyathai or seerthiruththa marriages solemnised at any time before the commencement of the amending legislation. This is, however, subject to the limitations provided for in sub-section (3), In a case where a man who was a party to a suyamariyathai or seerthiruththa marriage, on the strength of judicial pronouncements invalidating such marriage, has already contracted a valid marriage observing the customary rites and ceremonies, it is considered that the second valid marriage should not be rendered invalid by reason of the validation with retrospective effect of the first marriage, namely, the suyamariyathai or seerthiruththa marriage. It is also not the intention of the amending legislation to validate marriage if such marriage was invalid on any ground other than that it was not solemnised in accordance with the customary rites and ceremonies of either party thereto. Necessary provisions for the above purposes have been made in clauses (b) and (c) of sub-section (3) of new section 7-A. Care has also been taken to provide that a suyamariyathai or seerthiruththa marriage solemnised before the commencement of the amending legislation will not be valid if the marriage has been dissolved under any custom or law, or the woman who was a party to the marriage has during the life of the other party, lawfully married another. Where a marriage has already been dissolved, there is no need to validate a marriage which at the time of its solemnisation was invalid, if the woman who was a party to the marriage has discarded her husband and has lawfully married another. Clause (a) of sub-section (3) of new section 7-A contains the provisions necessary in this regard. Provision for the legitimization of the children of the parties to a suyamariyathai or seerthiruththa marriage solemnised before the commencement of the amending legislation is proposed in sub-section (4) of new section 7-A.

STATEMENT OF OBJECTS AND REASONS ACT 10 of 1972

The Religious Institutions of this Union territory are governed by the arrete dated 29th June 1918 of then French Administration. As it stand, it is sketchy pace of legislation which does not cast definite responsibilities on the trustees nor empowers the Government to take adequate action. To effectively supervise the affairs of the Religious institution, new provisions to meet the difficulties arising on the subject are felt necessary.

The present Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS ACT 13 OF 1973

The Puducherry Hindu Religious Institutions Act, 1972, replaced the old Decret on the subject. The said Act does not contain any provision for the appointment of Scheduled Castes to the Boards of Trustees to be constituted under the Act. There have been persistent requests for giving due representation to the Scheduled Castes in the Boards of Trustees. To keep pace with the changing conditions, it is felt necessary to make provisions for the appointment of a person belonging to the Scheduled Castes as a member of the Boards of Trustees. Opportunity has been taken to include certain provisions in the Act to effectively supervise the affairs of the Hindu Religious institutions.

The Bill seeks to achieve the above objects.
