

POLICE DEPARTMENT

PRESS RELEASE

It is a proud day for Puducherry Police as we are extending additional safety for the people of this U.T by introducing 73 new Beat/Traffic patrol motor cycles. These patrol motor cycles will be attached TO Police Control Room, Traffic and various Police Stations for conducting patrolling in every nook and corner of the area and to take immediate action against persons indulging in rowdism, unlawful activities and also for providing assistance to victims of crime and road accident. These motor cycles have been procured under the Police Modernization Scheme tuning to an amount of Rs.33 lakhs.

All the 73 motor cycles are now ready for flagging off by the Hon'ble Chief Minister of Puducherry to dedicate- its services to the cause of the people. Out of these 73 motor cycles, 62 will be utilized in the Police control room, local Police Stations and Traffic Police Stations of Puducherry region, 07 in Karaikal and 02 each in Mahe and Yanam regions.

These patrolling motor cycles will render assistance to the general public as and when its services are sought by the needy people in distress either directly or through the Police Control Room. The public in Puducherry are requested to contact the Police Control Room at toll free phone number 100 for availing this assistance.
